WATER BASED CLEANER/DEGREASERS

PGP 77 & PGP 77/LF

PGP 77 - Heavy duty multi-purpose hard surface cleaner/degreaser concentrate

** LONDON UNDERGROUND PART NO: 17812/157 ** FORD MOTOR CO LTD TOX NO:108594 **
** LONDON GENERAL TRANSPORT PART NO: 17311LBL136 **

PGP 77/LF - Heavy duty multi-purpose hard surface cleaner/degreaser concentrate with LOW FOAM ability

** FORD MOTOR CO LTD TOX NO:109261 **

APPLICATIONS

PGP77&77/LF are specially formulated, fast acting, concentrated heavy duty maintenance cleaners. *PGP77/LF* is a low foam version of the highly successful *PGP77*, designed for use in floor scrubbing machines etc. *PGP77/LF* is recommended where any form of agitation is required to perform the cleaning operation. They are water dilutable and will effectively and safely remove stubborn soil from hard surfaces; walls, floors, decks, paintwork, pits, underframes and machinery. They are particularly effective when used in steam cleaners and power washing machines or mechanically agitated tanks. *PGP77&77/LF* can be used in a multitude of applications and industries to remove grease, dirt, oil and carbon. As general purpose cleaners they reduce the need to hold inventories of many products.

INSTRUCTIONS FOR USE

For walls, floors, decks and paintwork use DILUTED TO 1 - 2 % with water. Apply by spray, mop, sponge, brush or cloth.

For use in steam cleaners or power washing machines dilute with 40 parts water (2-3% soln.) in the detergent tank.

For mechanically agitated cleaning operations in production lines use 1 part to 10 parts water (10% soln.) at a temperature of 50-65 Degrees Centigrade.

For light duty applications use at a dilution of between 0.5 and 1%.

After cleaning with concentrated solutions of *PGP77&77/LF* wash off with clean water.

PRECAUTIONS:

Contact with the skin should be washed off with water. Wear suitable protective clothing (PVC gloves, boots and overalls) when using the above product. For detailed health and safety information please request a hazard data sheet.

PACKAGING : 5, 25 & 205lit drums
